**September 18** we are hosting a potluck dinner at 6:30 followed by a dance. Come to our potluck and sit a spell. Talk to all the wonderful people you’ve been dancing with over the years. Get to know your community better. Contra Dance potlucks are notoriously good; we have some wonderful cooks in our community. Who knew healthy food could taste so good? Reach out to the people you haven’t seen for a while and ask them to come. Even if you/they are no longer dancing, please come out and catch up with all your dancing friends. We’d love to see you again.

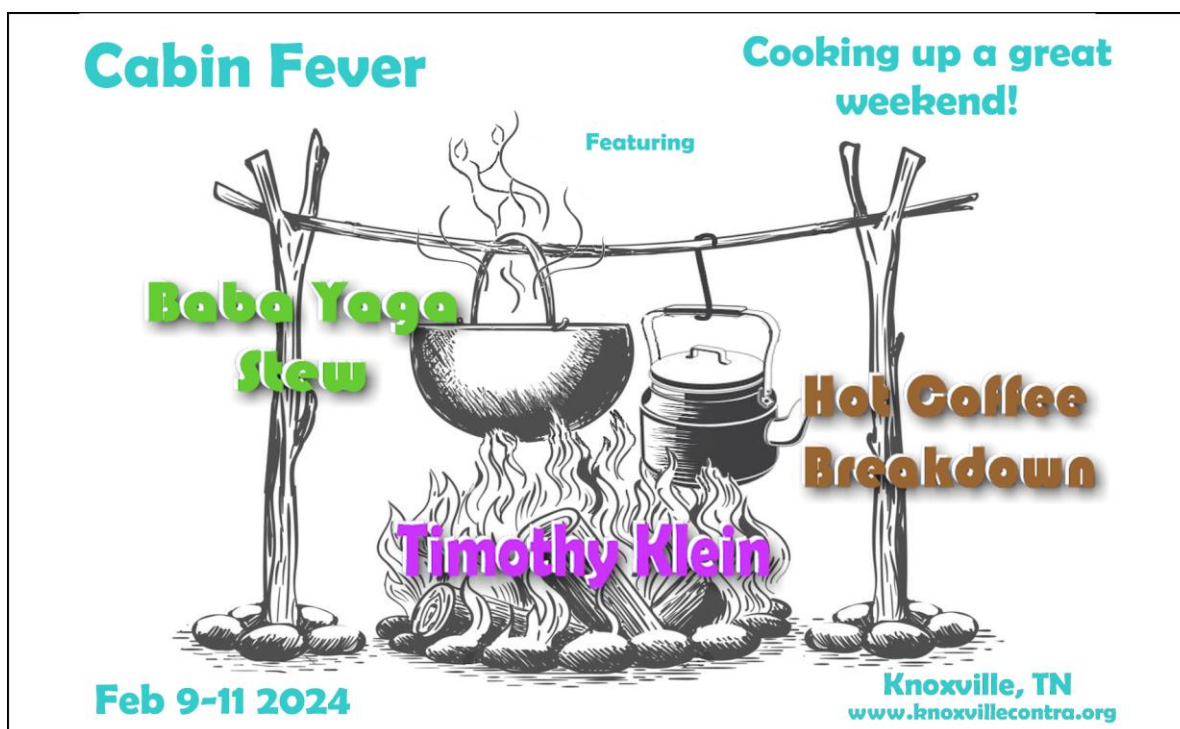

**P.S. We will need a few extra volunteers to help with set up and clean up after. There is a sign-up sheet at the desk for volunteers.**

# Cabin Fever 2024

It's time to start preparations for Cabin Fever 2024. This year we are, once again, asking for local area dancers to donate individual servings of snacks for the event. This provides both a wide variety of options and keeps our costs down. Last year was a great success and we want 2024 to be just as successful and we need all **your** help to make that happen.
